## General Information

---

**LOCATION**—This sale will be held on **Thursday, November 12, 1936** at **Mathers Bros. Farm, Mason City, Ill.** Mason City is just half way between Peoria and Springfield on Route 24. The farm is located 5 miles West and 1 mile North of Mason City. Take paved Highway 120 West out of Mason City, 5 miles to the town of Teheran. Then turn 1 mile North to farm. Last year the sale was held on our East Farm. Please note that the sale this year will be held on the West Farm. Go one mile North of Teheran and turn one quarter mile West. Gravel road right to the farm. Parties coming from the West should take route 78 into Havana, Ill., then route 122 to the junction of route 120, then southeast on route 120 to Teheran.

Sale will start promptly at 1:00 P. M. Lunch will be served at the farm by ladies of the church.

**AUCTIONEERS**—A. W. Thompson, J. E. Halsey and H. J. Laws.

**MAIL BIDS**—Mail bids may be sent to Hal Longley of The Shorthorn World; "Howdy Brant" of the Corn Belt Dailies; J. E. Halsey of Wallaces' Farmer; F. W. Harding of The American Shorthorn Breeders' Assn. or to the auctioneers in our care.

## Please Note

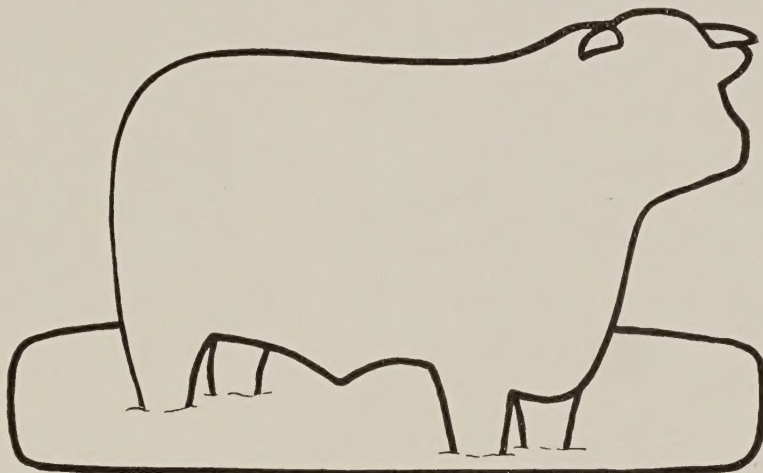

---

The cattle in the Leveldale Herd have been developed under our direction with the efficient help of W. B. Berry who manages our Momence, Ill., farm and Wilfred Roberts who is in charge of cattle at the Mason City farm. Both of these men are well known to the Shorthorn fraternity. We have relied upon them for accurate information as to service dates and we have absolute confidence that everything is correct. We will be glad to have prospective buyers confer with either of them and we will not consider it a breach of ethics for anyone to obtain an opinion on any animal from these two reliable men.

Below is shown the outline of the "Model Type" bull adopted by the Board of Directors of the American Shorthorn Breeders' Association as a pattern for all beef Shorthorn breeders to follow.

:: A Guide for Careful Shorthorn Buyers ::

**S**TUDY the two sketches on this page. They are exact outlines of the model types adopted by our association. They were designed to be helpful to beginners in founding their herds correctly and to already established breeders in the further improvement of their herds. Compare these sketches with the photographs of animals shown in this catalog. Absolute perfection has never been reached by any breeder, but you will find that Leveledale Shorthorns closely approach the Model Type. You will also find, as many others have done, that the liberal use of this blood will bring your herd closer to the goal of perfection in Shorthorn conformation.

Below is shown the outline of the "Model Type" female adopted by the Board of Directors of the American Shorthorn Breeders' Association as a pattern for all beef Shorthorn breeders to follow.

THE MODEL TYPE FEMALE

## From The Owners

---

THIS is our Second Public sale. We are still proud of our last year's sale in that so many breeders honored us by attending. Their appreciation of the offering was apparent, judging from the unusual promptness of their bidding and the satisfactory prices attained. Every animal sold has proved a breeder or a settlement satisfactory to the purchaser has been made.

This year's consignment is still better. There are sixteen bulls, several of them having been in our show herd. Others are good show prospects and all of them worthy prospects for sires.

The females are very choice and include several which had been reserved for our breeding herd. These were added to make the list more attractive to discriminating buyers.

In order to help the buyers form an opinion of the worth of the offering, we have illustrated the catalog with photographs of many of the animals and have added brief footnotes giving some of the desirable qualities of each.

We again extend a cordial invitation to all lovers of good cattle to be with us on November 12.

## Guarantee

(Endorsed by American Shorthorn Breeders' Association)

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrieval for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
7. **TERMS:** Cash unless other arrangements before date of sale. The above guarantee and terms constitute a contract between the buyer and seller of each lot. The individual designated as Sale Manager assumes no liability, legal or otherwise.  
**HEALTH**—This herd is Federally Accredited for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

Put the right kind of rear ends on your calves. This Mathers bred trio were undefeated wherever shown in the three bull class during 1934, including the International and American Royal.

**Dreadnaught Signal 1737942**—The undefeated 3 year old bull of the season, having won 1st at Illinois, Ohio, Indiana, Wisconsin and Kentucky fairs, and being senior champion at Wisconsin and grand champion at Kentucky. He has been in our three bull group for the last three years and has retained his unusual smoothness throughout the long campaign. He is out of the same dam as Dreadnaught Salute and by the many times champion and great breeding bull Dreadnaught Parade. He has a great head, wide back and deep, round quarters. He has been used enough to prove himself a sure breeder and we are including a beautiful daughter in this sale. He should head a good herd.

**Dreadnaught Comrade 1852842**—Is one of the best bulls in sale. His head is almost perfect. He is correct in type, looks like his sire and has inherited the style of his dam Augusta 92d (red), one of the best cows of the breed. He is a full brother to Augusta 104th, our senior yearling show heifer. Dreadnaught Mandarin, out of the same dam, has sired a wonderful bunch of calves in the herd of Tom Prendergast. Check this bull for a close inspection.

**Dreadnaught Power 1852850**—Is a full brother to the great bull Dreadnaught Invincible, heading the herd of Dr. O. P. Bennett. Dr. Bennett says about him, "He is the best bull I have ever owned and is siring a great string of calves." This short legged bull is worthy of a good home.

THOSE who are desirous of founding new herds or of improving already well established herds should study carefully the blood lines represented in this catalog. Each one of the fashionable Scotch pedigrees presented is lined with stock bulls that have made history for the breed. Mathers Bros. contribution to the tops of these pedigrees has been SIX CHAMPION STOCK BULLS used in succession in the herd. Hence, the type, character and individuality, all of which you are sure to admire in each animal on sale day, is BRED INTO THEM. Surely these are factors which should prompt you to attend the sale and BUY.

**DREADNAUGHT LUSTROUS** is our winning summer yearling show bull this year. He stood at the Illinois, Wisconsin and Indiana State Fairs. He is a son of Goldspur's Baronet 2d and his dam, Ruby 47th by Leveldale Dreadnaught, was a prominent winner in our show herd for three years. A good many of the heifers in the sale are carrying the service of this outstanding bull.

## WHY NOT MAKE USE OF LEVELDALE SHORTHORNS IN THE FURTHER IMPROVEMENT OF YOUR HERD?

### REMEMBER.

The true type and high quality of LEVELDALE SHORTHORNS has not resulted from the use of just one champion bull. These characteristics have been BRED INTO THEM through the USE OF SIX CHAMPION BULLS.

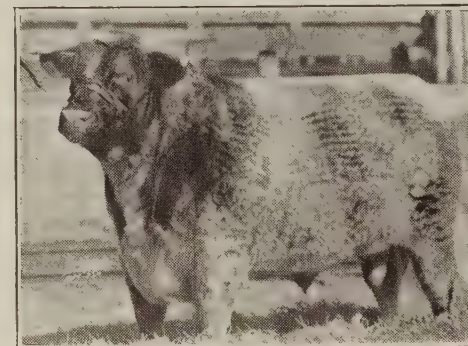

**DREADNAUGHT PARADE** introduced a Villager cross through his dam while retaining the Dreadnaught blood through his sire. A sensational show bull from calf-hood to maturity. His get are outstanding winners in the show ring as are also those of his full brother Dreadnaught Consort, also in service in the herd. A number of the choicest individuals in this sale offering were sired by these two full brothers.

**GOLDSPUR'S BARONET 2d** was selected for use in our herd because he measured up to all of the requirements of a sire. He has been a champion many times himself and is a son of the International grand champion Browndale Goldspur. His calves in our herd are outstanding in type, quality and character. Six great bulls in this sale are sired by him.

**DREADNAUGHT CLANSMAN**, our first herd bull. The best individual sired by the great Imp. Cudham Dreadnaught. Four great sires and two great cows on top of his pedigree assured us of his success as a sire. His dam, Dale's Missie, was the original cow selected for the foundation of our herd and we owe much to her.

**LEVELDALE DREADNAUGHT**—Strictly a planned sire by Dreadnaught Clansman and out of one of the greatest cows the breed has ever known, Belle o'Leveldale. He was selected for use in our herd as soon as he was born. His own show record was phenomenal and his sons and daughters won first prize in get of sire class at the 1933 International.

**LEVELDALE ROSEWOOD**, the greatest female of the day and one of the greatest the breed has ever known, is a daughter of the many times champion Dreadnaught Salute. She was junior champion at the largest shows in 1934 including the International and she was grand champion at the strongest shows in her senior yearling form. There will be 12 beautiful females and 4 great bulls in this auction sale sired by Dreadnaught Salute.

**BELLE O'LEVELDALE**, one of the most famous cows the breed has ever known. From the time she was a calf until she was old enough to show with a calf at side she was a favorite of both judges and ringside for the highest honors. This beautiful daughter of Imp. Cudham Dreadnaught is still a valued member of our breeding herd.

**DREADNAUGHT SALUTE**—A line bred Faultless Dale with Dreadnaught top. Three years on the show circuit and seven years as a sire have proved him extremely profitable. He was the sire of Leveldale Rosewood, one of the greatest female champions the breed has ever known. There will be twelve beautiful females and four great herd bulls in this auction sale sired by him.
